"A special event  
for Clan  
McPherson in  
Europe!"

## SCOTTISH DAYS

A special event for the Clan Macpherson in Europe!

Here the Clan Macpherson and the Clan Chattan were represented by us.

In addition to a rich programme (Pipe Competition, Highland Games, Clan Village, Irish Step Dance and much more) many traders were on site. Our highlights were the participation of our members in the Highland Games (1st place Chris and 2nd place Björn) and especially the handfasting of our Members Arnel and Volker. The ceremony was held by our European Clan priest Alexander.
