First general meeting of the European Branch

Bodo Bernd Schmitz is pleased to invite you to the very first meeting of the European Branch. Indeed, on 21 July 2024, a meeting will be held online setting up the statutes of the branch in line with the statutes of the CMA, as well as the presentation of the new Vice Chairman and the Secretary, as well as their roles. We will also take the time to propose you a calendar of events planned for the year 2024/2025.

You will receive an email with the meeting invitation containing instructions for installing Zoom on your PC, tablet or smartphone.

Now that our European Branch executive office is complete, let us introduce them to you:

Introduce - Chairman Europe

My name is Bodo Bernd Schmitz and I am delighted to be your Chairman in Europe.

I live in Solingen near Cologne in Germany and work as a civil servant for the state government. I am now 63 years old, married to Sabine and the proud father/grandfather of 5 children and 12 grandchildren.

We have been presenting our clan at Scottish events in Germany for several years and are actively involved in the conservation and protection of wildcats in Germany.

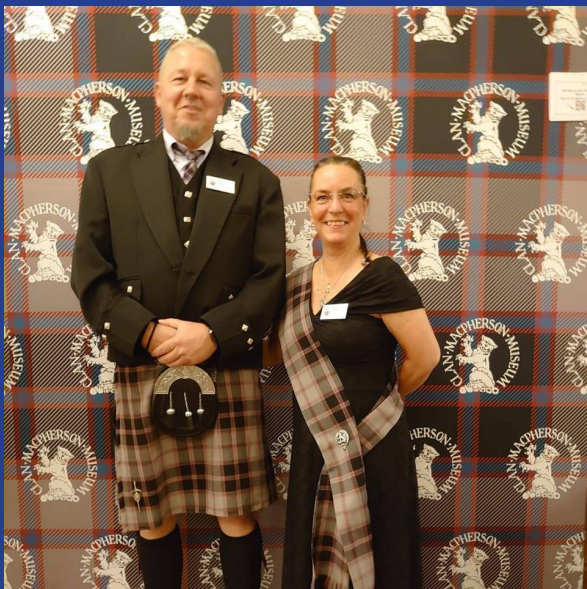

Introduce - Secretary Europe

My name is Marion Schmidt Meyer and I am pleased to be your secretary in Europe.

I live in Cologne / Germany and work as a financial accountant in a tax office. I'm 57 years old, married with Georg and have one daughter.

She is studying to be a teacher for english and catholic religion. I take care of the organizational matters and support Bodo Schmitz by his work.

Introduce - Vice Chairman Europe

I am Anthony Rocquet, I am 39 years old and live in Brittany (France). Born in the North of France, but I lived most of my life in Versailles. I have my Scottish origins through my ancestors coming from the Kingdom of Fife bearing the name of Pearson.

Passionate about history and especially the Jacobite period, I worked on locating the final resting place of Ewen Macpherson of Cluny (1706-1764), then recently on the installation of a memorial in his memory in Dunkirk.

I started presenting the clan in 2022 during the Franco-Scottish festivals in Aubigny-sur-Nère, accompanied by my wife Laura who also joined the clan. It is in this continuity that I now occupy the position of Vice-Chairman to support Bodo, new Chairman, in the development of our branch.

We will work together and with the help of all of you to become an active branch, and the sustainability of the European branch for future generations.
