At this point we would like to present a report from our Clanbrother Edouard Chata in France. He is a Piper of the Clan Macpherson.

It reads as follows:

«On Saturday 21 September, I was invited to Ypres with Clan MacPherson for a Crest Wall Ceremony, including by Clan McCallum, represented by Stuart Liddell.

Half a day alongside the World Champion of the Garde 1 Pipe Band as Pipe Major of the Inveraray & District Pipe Band. I had seen his winning set at the 2023 MacCrimon Trophy in Lorient.

It was very educational and historically very interesting to be there!»

On Saturday, 12th October, the Clan Macpherson was invited to join an event in Dinard (Brittany), the Melting Kilts. This is a large parade celebrating tartans, bringing together more than 200 people. Pipe bands, Celtic dance groups, kilt lovers' clubs, and especially Scottish Clans participated. This year, three Clans were present: the Clan Scott, the Clan Macmillan, and us, the Clan Macpherson.

It was an opportunity to proudly display our colors and wave our flag. We were fortunate to be accompanied by a loyal friend of the Clan, Guillaume André, a talented bagpiper who enthusiastically played his pipes in our honor
