Clan Macpherson Association

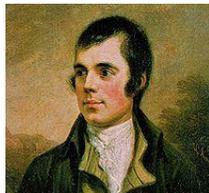

Season's Greetings

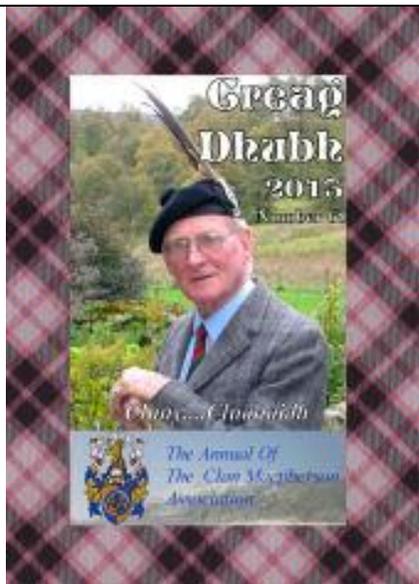

To all Scotland &
Northern Ireland Branch
Members of
the Clan Macpherson
Association

Burns Supper 2021

The Committee have made the decision to cancel the Burns Supper for 2021 due to the continuing uncertainty around Covid 19 restrictions, social gatherings, and non-essential travel. We do hope to be able to have an event in the Spring.

Creag Dhubh

Publication Delayed

Creag Dhubh is normally published and sent to all members of the Clan Macpherson Association throughout the world in February each year.

The CMA Council have delayed until January 2021 a decision on whether to hold the Annual Gathering in August 2021. This in turn will mean a delay in publication of the Creag Dhubh magazine until the Spring, in order that details of the Gathering can be put into the magazine

A message from

Annie Le Roy-Lewis

Chairman

"Having been elected as your new Chairman at the recent 'online' AGM, I am delighted to send Seasons Greetings to all our S&NI Branch Members. I very much look forward to meeting and being in touch with you during the next three years. It is sad to think that the first Branch event under my tenure has had to be cancelled but we are raring to organise a Spring get together as soon as restrictions allow.

2020 has been the most extraordinary year - for all the wrong reasons and our thoughts go out to all our S&NI members who have seen the bad side of this year be it through grief, bad health, job or financial insecurity.

We hope that our Macpherson families can come together at Christmas (albeit in smaller groups) to enjoy what we have missed the most - companionship and laughter. We hope for a very much better 2021 and for good health and happiness for you all."

**A VERY MERRY
CHRISTMAS
and Happy New Year!**
