Hello Cousins

This has been a very busy and educational year. It has been an honor serving as your Central Region Commissioner but also as Chairman for the US Branch. Representing you at the various regional games but also at the CMA Council meeting during the AGM gathering in Scotland was a wonderful experience.

This year, there were a total of 8 games. Norma and I were able to attend 5 of them. The games in Batesville, Arkansas will be late in October. This one will be discussed in my next report. The other 2, I was unable to attend due to scheduling conflicts.

As far as membership in the Central Region is concerned, we are down 6 annual members. We had 28 total members now 22 total members.

Yours Aye

John M. Bierens

Central Regional Commissioner
